**So....**

**How to manage your time?**

# Time management

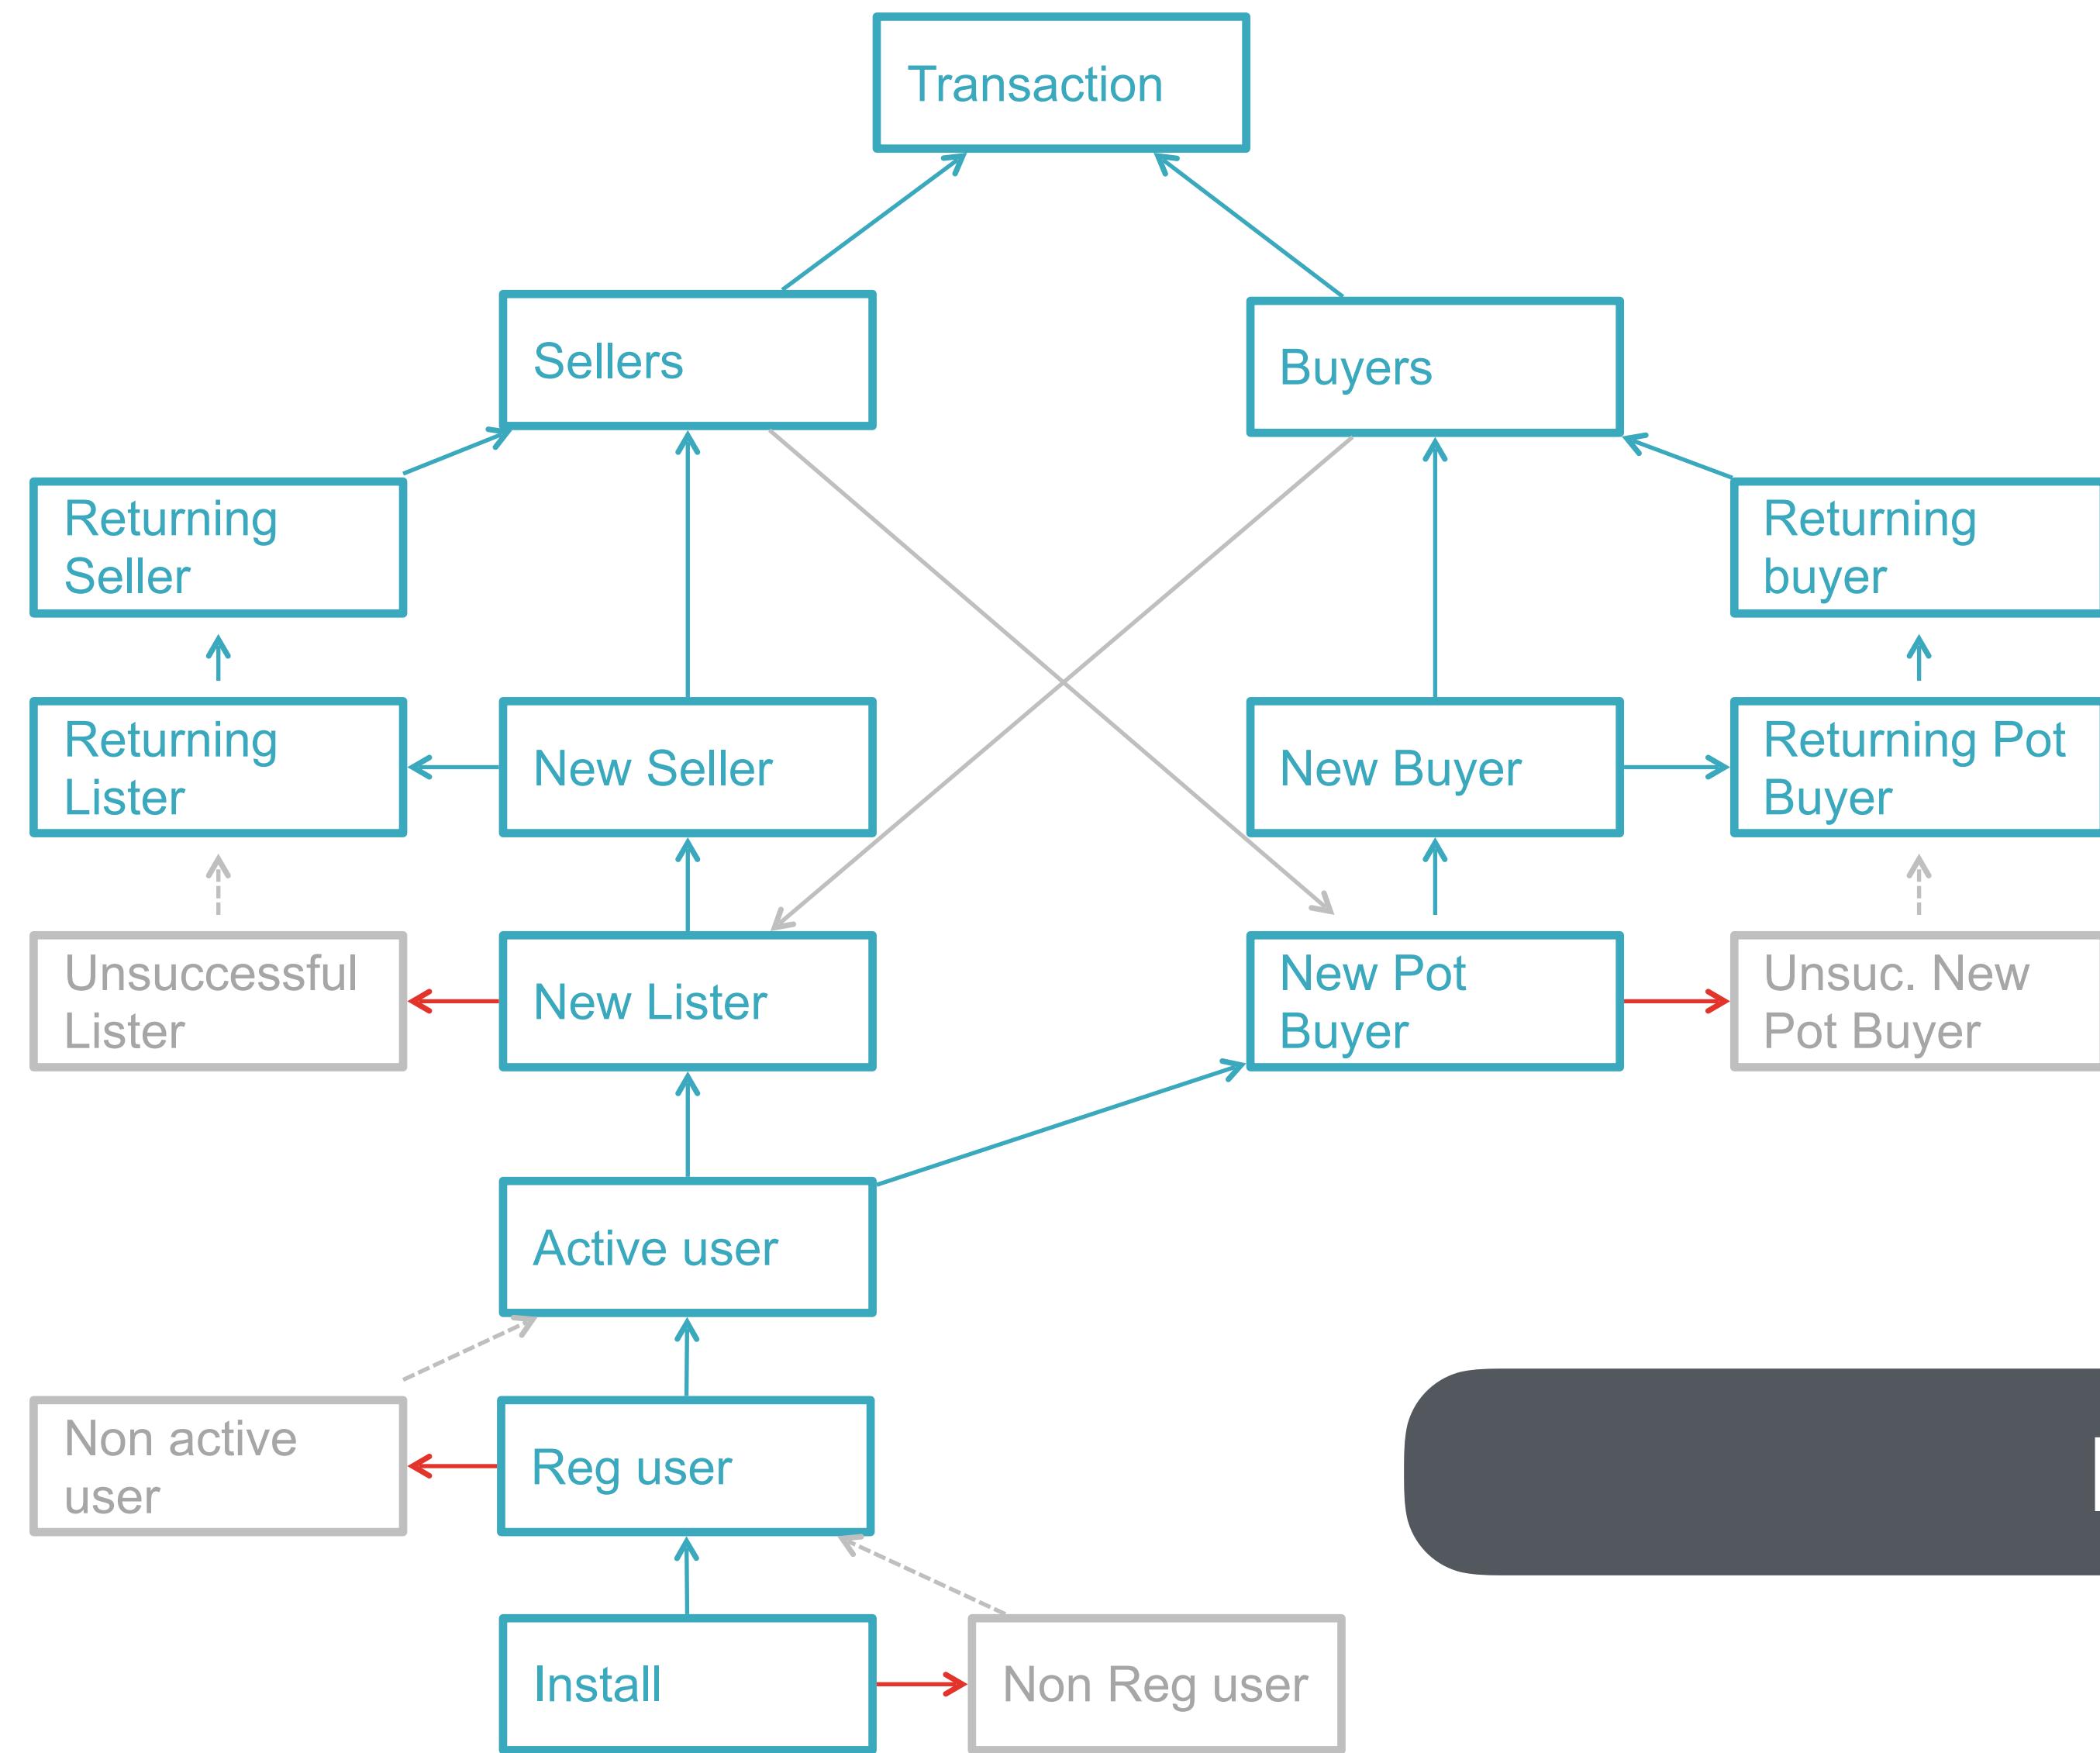

=

# Self management

**There are many tricks:**

- (1) Empty mailbox;
- (2) Agenda planning;
- (3) Prioritization matrix

# My principles

Logic is king

I barely understand what is going on....

Kodak was playing safe

I make a lot of mistakes

A large, multi-headed mushroom cloud from a nuclear explosion dominates the center of the image. The explosion is set against a dark, cloudy sky. The mushroom cloud is composed of several distinct, rounded heads of smoke and fire, with a dense base of black smoke and debris at the bottom.

People mistakes are nuclear

# **My view on 3 tricks I use**

# THE EISENHOWER MATRIX

*How to Make Decisions on What's URGENT & IMPORTANT*

My view on this

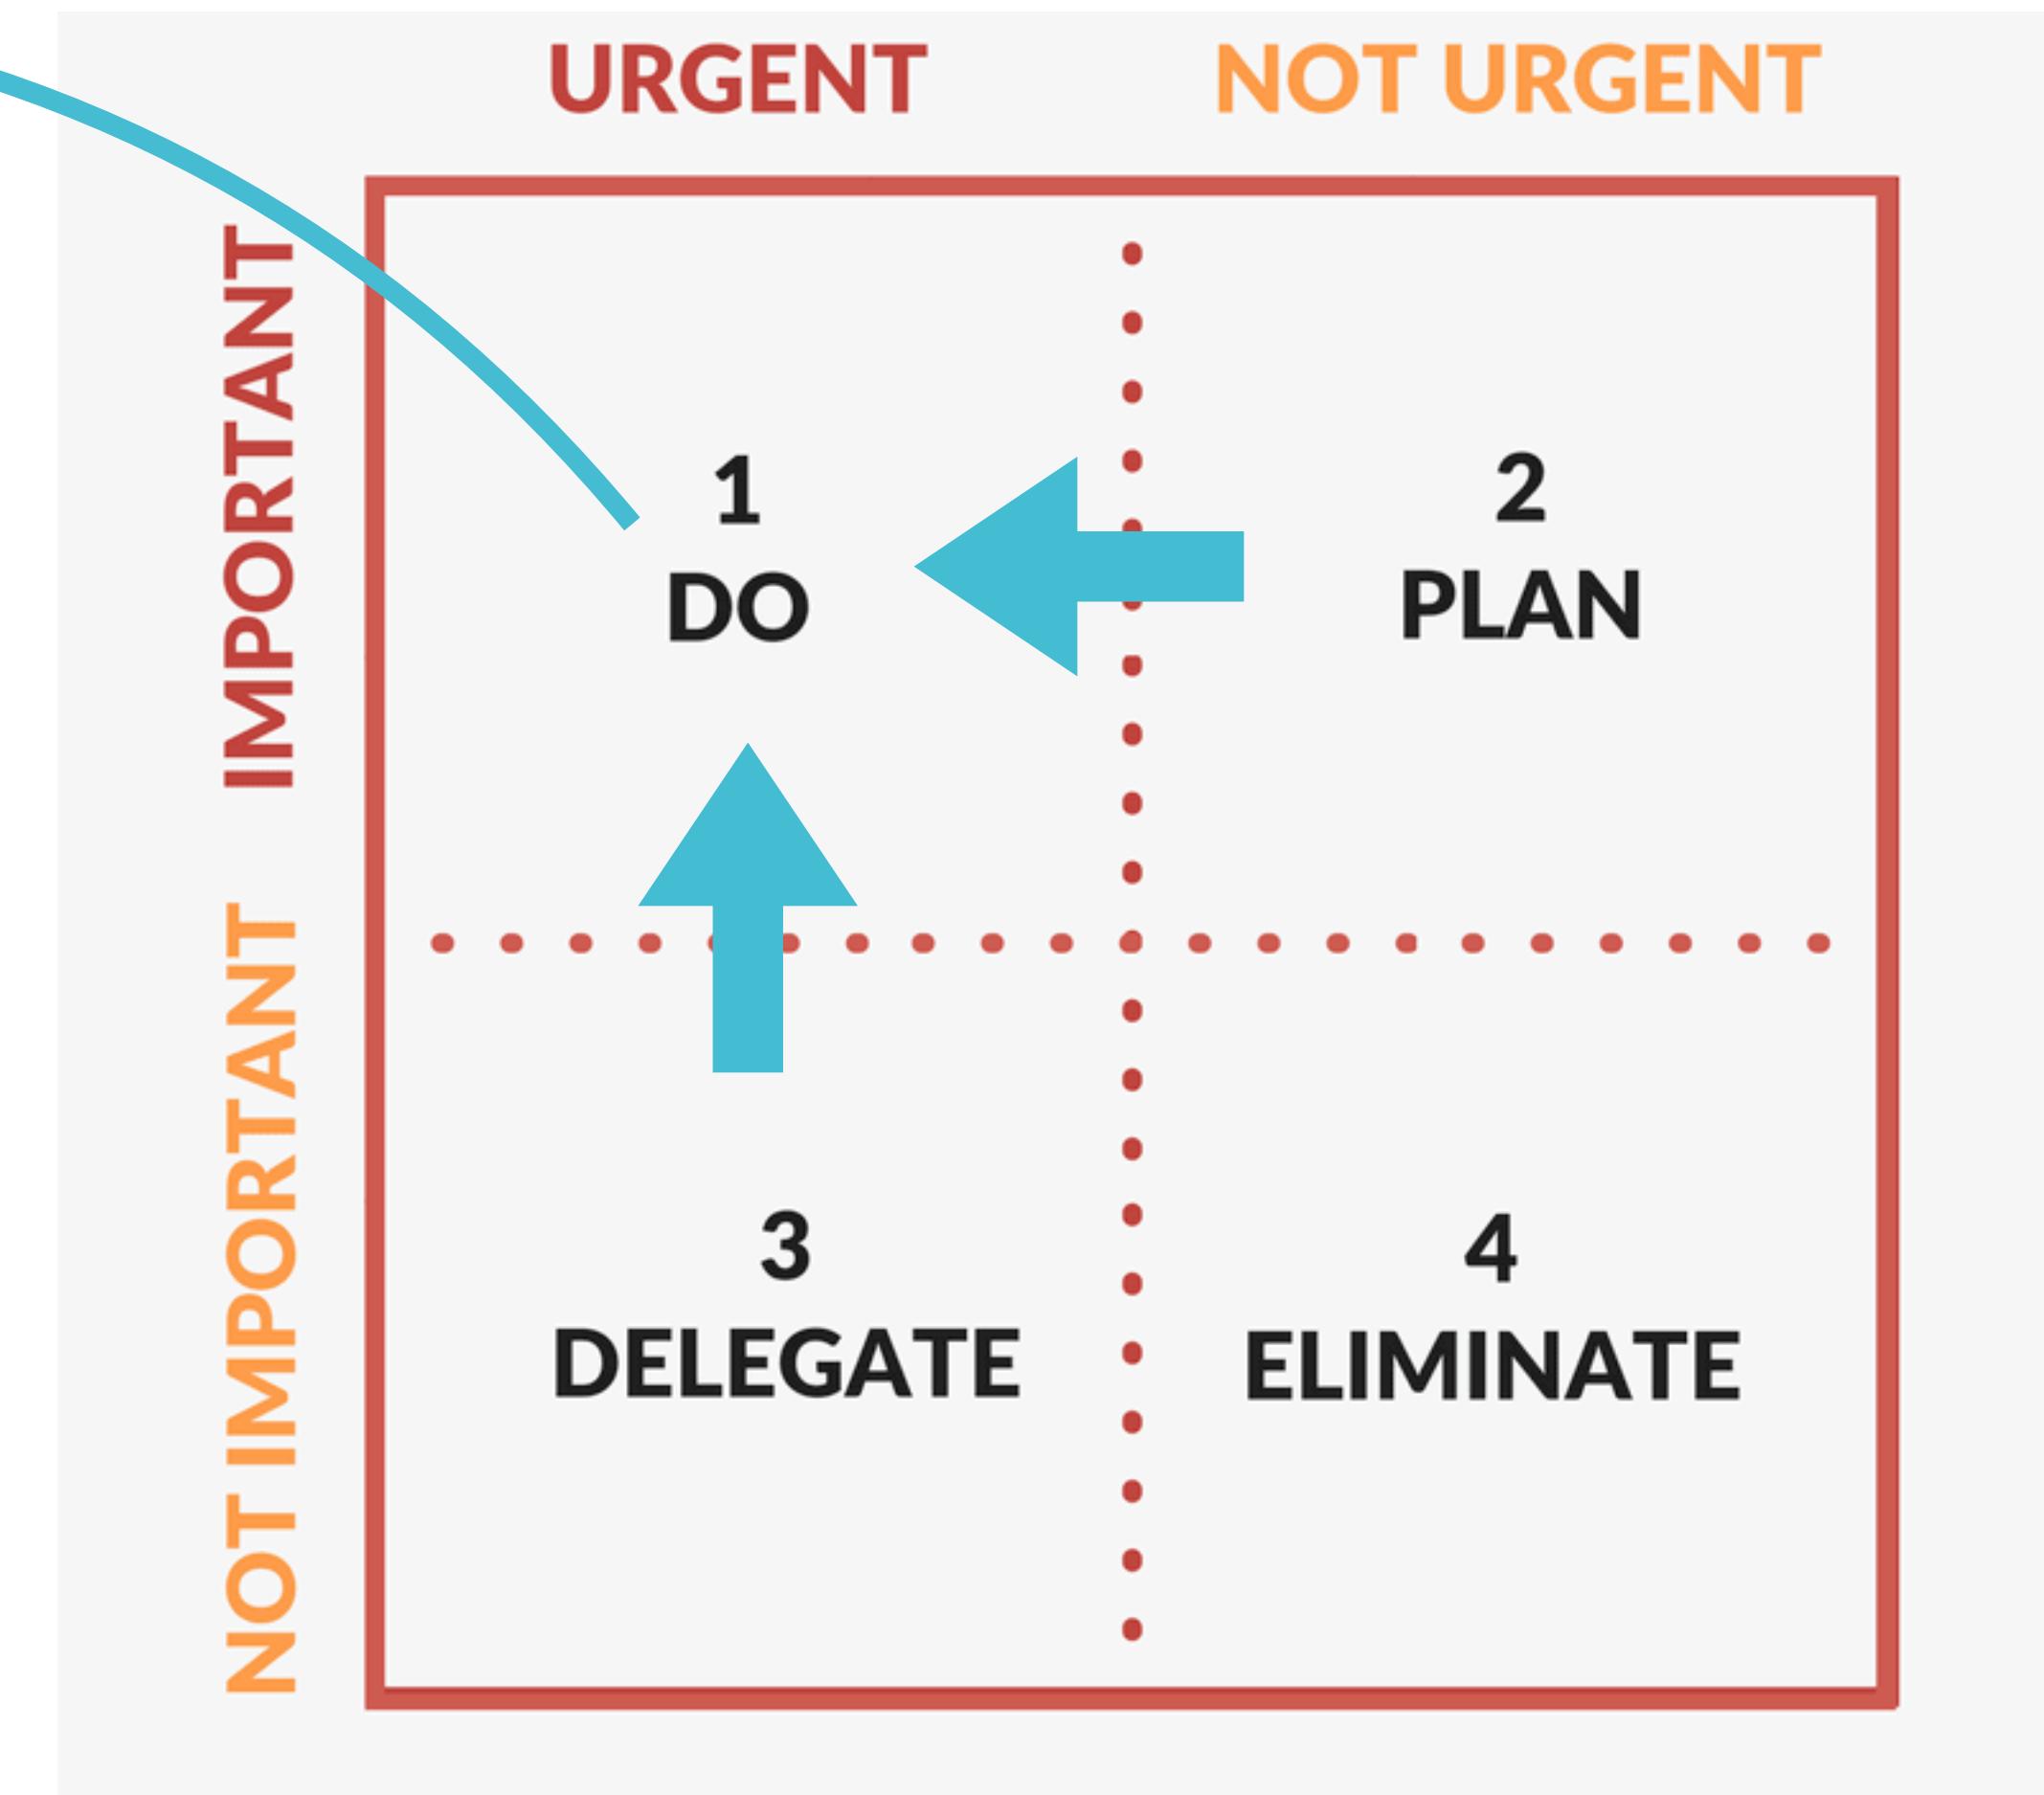

**Learn to say no  
or delegate**

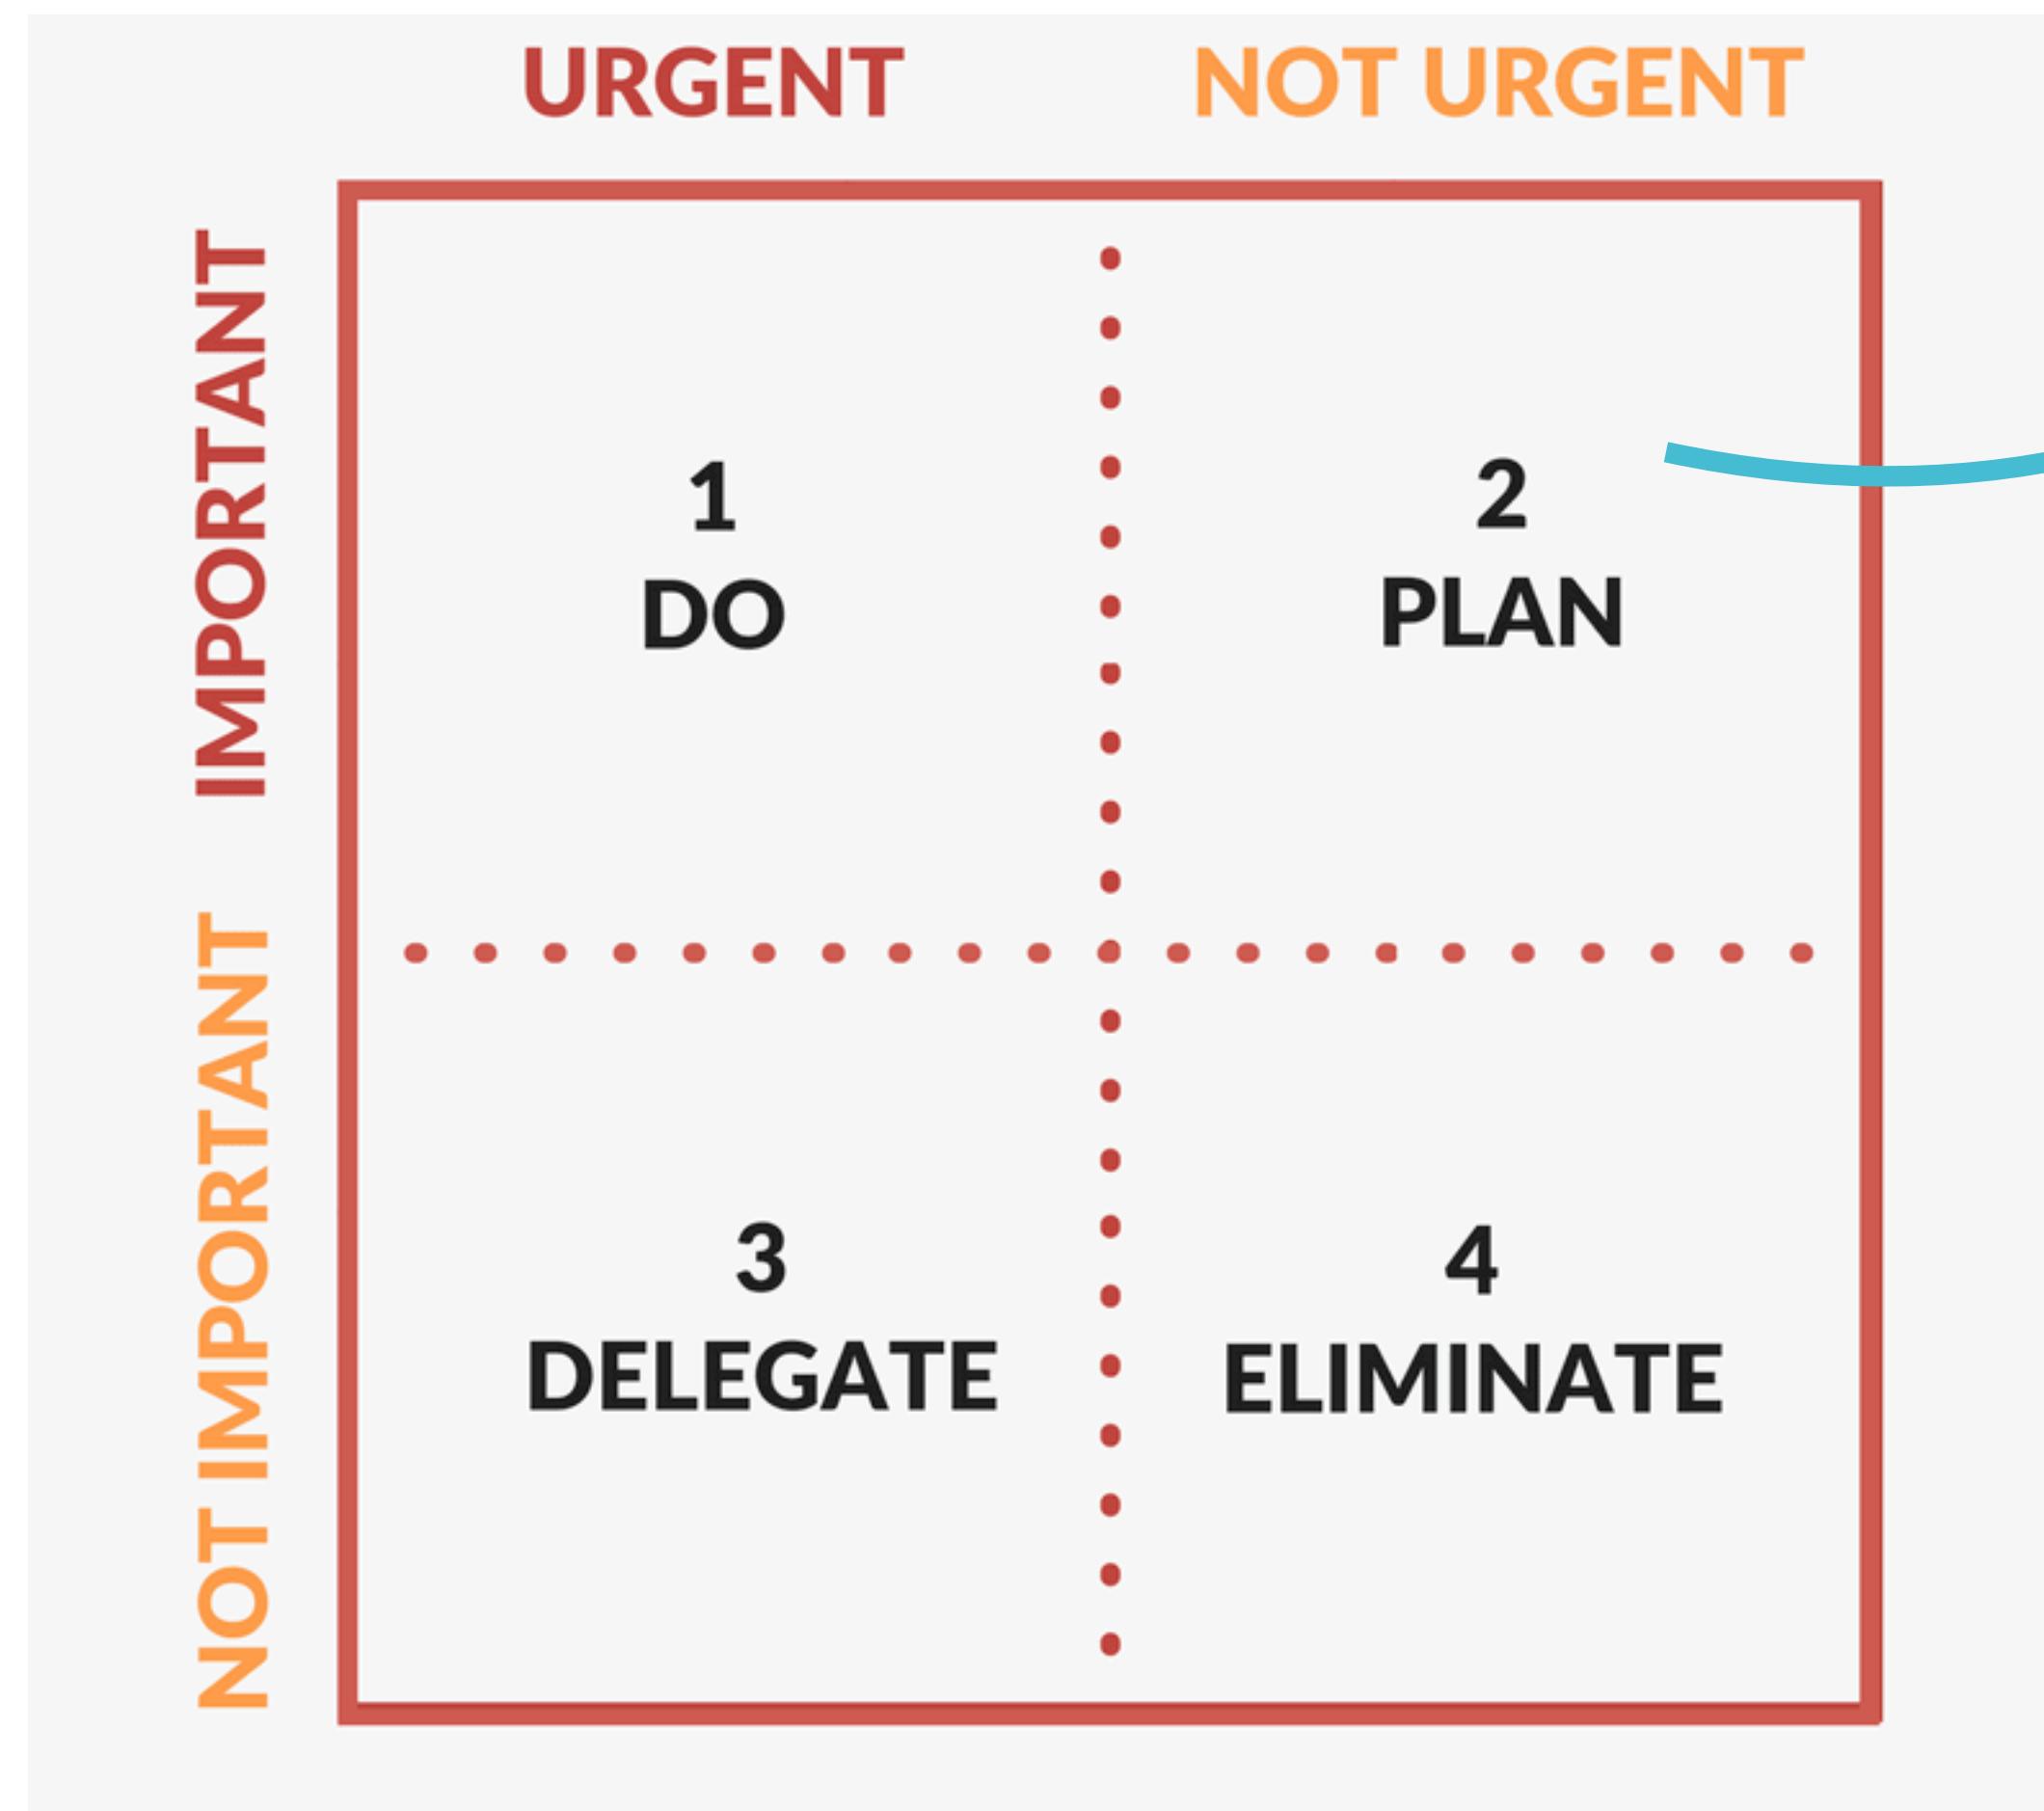

To who is this important?

*Why is this not important thing now urgent? How did I fuck this one up?*

You probably  
fucked up

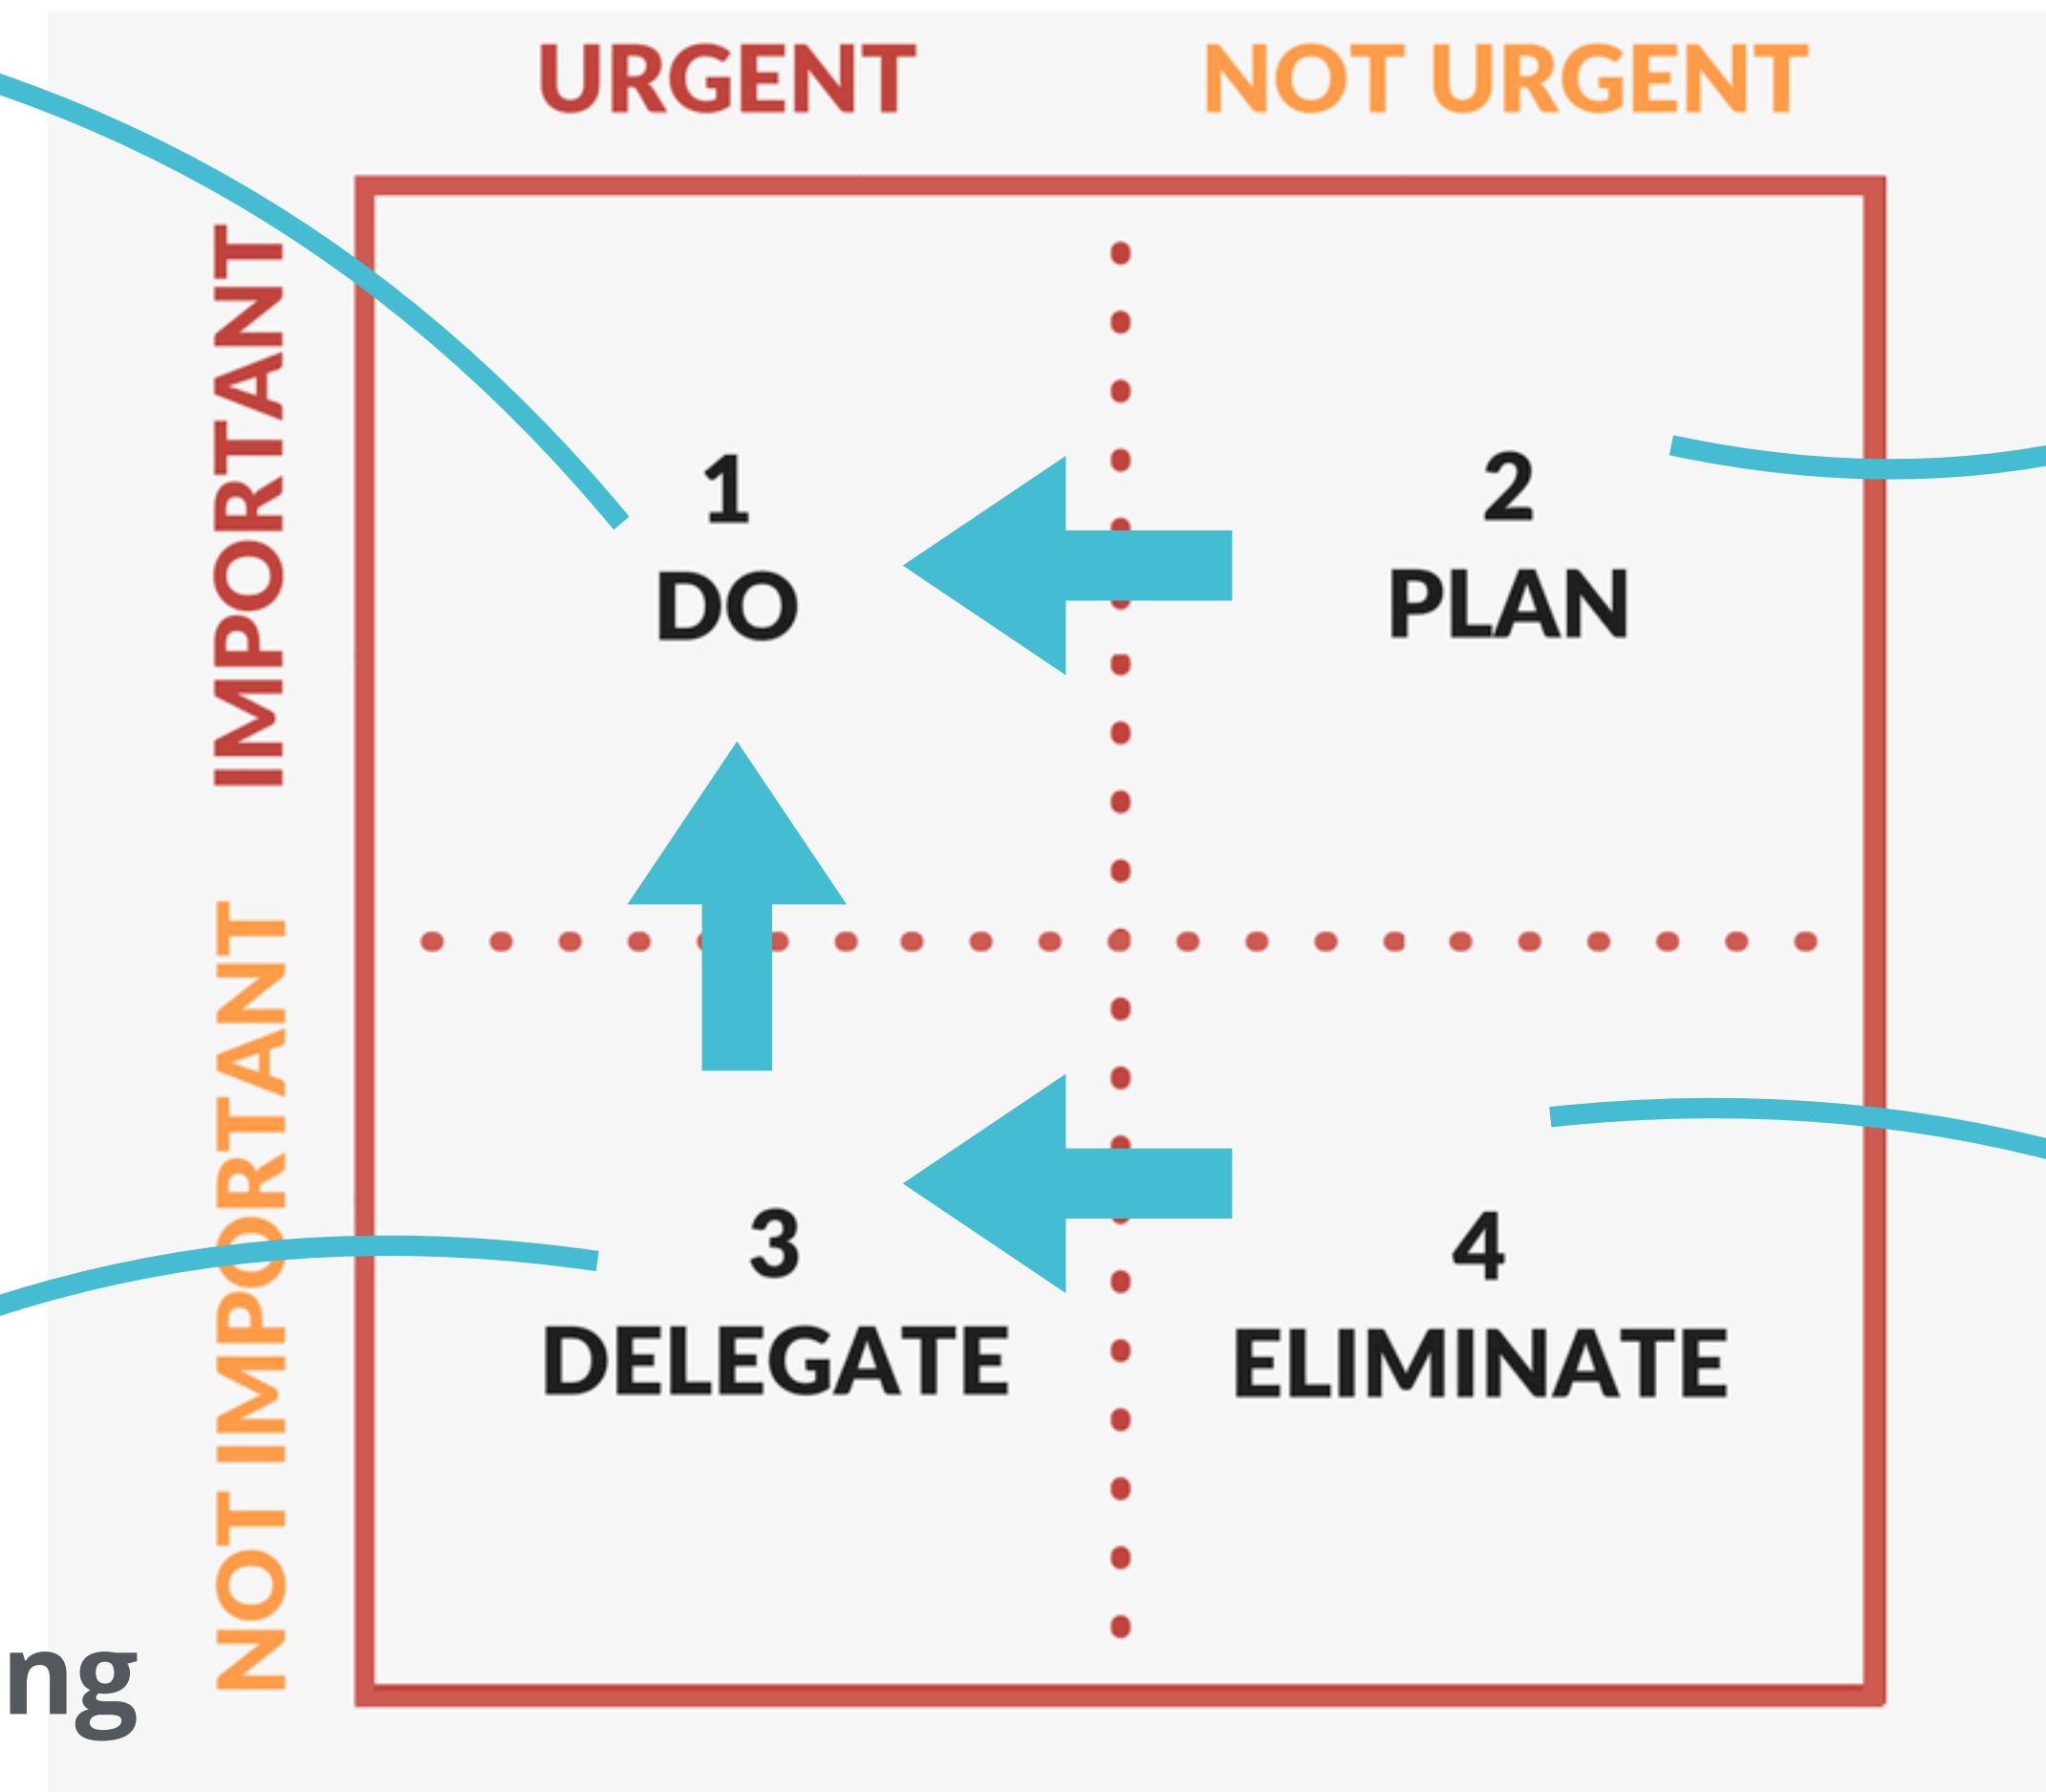

This is how you win

You probably  
fucked up

This is how you win

Avoid this from happening

Learn to say no

**How I try to manage time?**
